## Professional Summary

I am a Narrative Designer with extensive experience in world building and creating branching dialogue and character creation. I possess excellent communication and organization skills, as well as the ability to cooperate and negotiate with my peers in a goal-oriented way. As a Narrative designer I see it as my ultimate goal to ensure that the player receives the best possible experience and aim to achieve this by balancing the goals of my Narrative Lead with the needs of the Area Designers.

## Technical Skills

**Writing:** Script Writing, Technical Writing, Transmedia Writing, Children's Entertainment Writing

**Game Engines:** Unity 3D, Unreal Engine 4

**Programming Languages:** C#
